
ERRATUM

The article “Classic Homeopathic Medicine and the Treatment of Eczema” (*Cosmet Dermatol.* 2011;24:420-425) contained an error on page 421. The sentence should read:

Homeopathic medicine is an inexpensive nontoxic system of healing using by hundreds of millions of people worldwide.

The editors of *Cosmetic Dermatology*[®] make every possible effort to ensure accuracy in the articles and apologize for the mistake.
