September 11-14

115th American Academy of Otolaryngology-Head and Neck Surgery Foundation Annual Meeting and OTO Expo
San Francisco, California

This meeting will allow participants to follow their own "track," customizing their own schedule to meet their specific educational needs. Participants will be exposed to scientific programs that are composed of oral presentations, miniseminars, and poster presentations, as well as instructional courses that are lead by experts in the field of otolaryngology and other health care professionals. The expo will showcase products and services for otolaryngologists. Practicing otolaryngologists, senior academic professors, residents, fellows in training, and otolaryngology researchers are among the many who are encouraged to attend. This meeting offers up to 27.5 Category 1 CME Credits. For more information, call (703) 836-4444, fax (703) 519-1546, e-mail meetings@entnet.org, or visit the Web site (http://www.entnet.org/annual_meeting).

October 17-21

MRI/CT Update

Boston, Massachusetts

This year's course, the 34th offering from the Harvard Medical School Department of Continuing Education, is designed for practitioners using MRI and multidetector CT, as well as those who wish to learn the latest applications from experts. The main objectives of this course are to provide 1) up-to-date information on the latest MRI and CT techniques for body and neuroradiologic applications; 2) sufficient background for managing an MRI or CT facility; 3) insight into the way experienced radiologists perform and interpret the examinations; and 4) sessions that focus on Spine and ENT imaging. The course offers up to 34 Category 1 CME Credits. For more information, call (617) 525-7330, fax (617) 525-7333, e-mail bwhradcme@partners.org, or visit the Web site (<http://www.radcme.harvard.edu>).

Phone: (480) 301-4580
Fax: (480) 301-8323
Web: <http://www.mayo.edu/cme>
