October 19-22 2011 Cardiometabolic Health Congress Boston, Massachusetts

The 2011 Cardiometabolic Health Congress (CMHC) will offer information on the most effective, current strategies for the prevention, diagnosis, and management of type 2 diabetes, atherosclerosis, hypertension, dyslipidemia, obesity, thrombosis, chronic kidney disease, and related comorbidities. The CMHC aims to provide those in attendance with evidence-based interventions to improve health outcomes and quality of life for patients with increased cardiometabolic risk. Attendees include cardiologists, primary care clinicians, internal medicine clinicians, and endocrinologists. Upon completion, those in attendance will gain a better understanding of the various risk factors, translate prevention strategies and treatment to their clinical practice, and identify interventions for particular patients. The CMHC offers up to 30 Category 1 CME Credits. For more information, call (877) 571-4700, fax (866) 218-9168, e-mail jen@cardiometabolichealth.org, or visit the Web site (<http://www.cardiometabolichealth.org>).

November 22-25

**Advanced Orthopaedic and Joint MRI: Emphasis on Small Joints
Chicago, Illinois**

The Advanced Orthopaedic and Joint MRI: Emphasis on Small Joints course will provide practical approaches and state-of-the-art updates to interpret MRI exams on the hip, shoulder, elbow, wrist, finger, foot, ankle and knee joint. The target audience includes radiologists, orthopaedic surgeons, primary care physicians, and sports medicine specialists. Those in attendance will participate in lectures that emphasize discussions on small joints. Case studies that illustrate teaching points will also be shown. Upon completion, participants will be able to identify the pathology of the musculo-skeletal system and variations in normal anatomy; recognize indications and applications of MRI and other advanced imaging techniques for bone and soft tissue; and discuss a multidisciplinary approach to patient management allowing for improvement in their practice and better patient care. The course offers up to 30 Category 1 CME Credits. For more information, call (513) 924-5365, fax (513) 352-9424, e-mail bethsmith@proscan.com, or visit the Web site at <http://www.proscaneducation.com>.

Abbreviations: ACPE = Accreditation Council for Pharmacy Education; ANCC = American Nurses Credentialing Center.

All meeting information verified as of press time. Credits listed are limited to CME offered through the Accreditation Council for Continuing Medical Education; nursing credit offered through the ANCC, national nursing organizations, or individual state nursing boards; and pharmacy credit offered through the ACPE or individual state pharmacy boards. Meetings may offer additional credits through other professional associations. Contact the meeting sponsor for more information.

Is your organization planning a meeting you believe would interest federal practitioners?

If so, send us the official meeting name, dates, location, continuing education information, and contact information (telephone, fax, e-mail, and Web site address) at least 2 months before the meeting is scheduled to be held, and we'll try to include it in an upcoming Meetings & Events. Please e-mail meeting information to fedprac@qhc.com; fax it to (973) 206-9251; or mail it to Meetings & Events, *Federal Practitioner*, Quadrant HealthCom Inc., 7 Century Drive, Suite 302, Parsippany, NJ 07054-4609.
