## Onychomycosis: Management and Treatment

Cover photograph courtesy of D.E. Babel, PhD, Mycology Diagnostics Laboratory.

### Guest Editor

Aditya K. Gupta, MD, PhD, FRCP(C)

### Part I

#### Introduction

Evaluating Ciclopirox Nail Lacquer, Oral Antifungal Agents,  
and Other Measures in the Management of Onychomycosis

page 4

Aditya K. Gupta, MD, PhD, FRCP(C)

Management of Onychomycosis: Examining the  
Role of Monotherapy and Dual, Triple, or Quadruple Therapies

page 5

Aditya K. Gupta, MD, PhD, FRCP(C)  
Lindsay E. Lynch, HBSc

Onychomycosis: Review of Recurrence Rates, Poor Prognostic  
Factors, and Strategies to Prevent Disease Recurrence

page 10
