

Appendix Figure. Frequencies of the ABIM content areas encountered by residents at each of the individual hospital sites from February 1, 2020, to May 31, 2020 as a running 7-day average of the number of daily discharges. Only the top 5 content areas are displayed. NYU-BK = NYU Langone Hospital–Brooklyn. NYU-MN = NYU Langone Hospitals–Manhattan. BH = Bellevue Hospital. VA = VA New York Harbor Healthcare.
