To SHM's Valued Industry Partners:

On behalf of the Society of Hospital Medicine (SHM) and its members, I am pleased to invite you to join SHM and your colleagues at Hospital Medicine 2019 (HM19), which will be held March 24-27, 2019 at the Gaylord National Resort and Convention Center, National Harbor, Maryland, just outside of Washington, D.C. The Exhibit Hall dates are March 25-26, 2019.

The annual conference has continued to grow over the years, both in participation and partnerships. SHM is grateful for the support of companies such as yours and looks forward to continuing to create connections in the fastest-growing specialty in modern healthcare — including important connections between hospitalists and the companies that can help them advance their careers and improve patient care.

Thank you for your ongoing collaboration. Please register online to reserve your company's package, as space and sponsorship opportunities are limited. There will be no other occasion in 2019 for you to meet face-to-face with more than 4,500 hospital medicine professionals in one place.

SHM looks forward to seeing you in National Harbor. Here's to a successful and productive HM19!

Larry D. Wellikson, MD

WELCOME TO HOSPITAL MEDICINE 2019!

As publishing partner of the Society of Hospital Medicine, Frontline Medical Communications is pleased to be publishing HM19 Daily News—the official daily newspaper of the Annual Meeting of the Society of Hospital Medicine. This year we will gather at the Gaylord National Resort and Convention Center, National Harbor, MD, with an expected attendance of over 4,500 hospital medicine specialists.

HM19 Daily News will have the important information needed for participants to make the most of their time in National Harbor. In addition, there will be a series of five e-newsletters delivered to the SHM database of 30,000 hospital medicine specialists that will serve to complement your onsite print advertising program. Exceptional editorial design and production quality make the onsite newspaper an essential marketing tool for delivering your message to this key audience. And daily e-mail delivery guarantees high-impact visibility to onsite attendees as well as those unable to be in National Harbor for the meeting. For maximum exposure, all versions of HM19 Daily News are also available online at www.the-hospitalist.org. Don't miss out on these opportunities to alert these engaged hospitalists to your products, services, and onsite symposia and other activities.

There is no better way to reach attendees and prospective attendees before, during and after the Annual Meeting than with HM19 Daily News. See you in National Harbor!
