SUBJECT INDEX

A

Abdominal aortic aneurysms

Vascular disease: It's more than just the pipes (From the Editor). Mandell BF. Oct 841

Managing abdominal aortic aneurysms: Treat the aneurysm *and* the risk factors. AlMahameed A, Latif AA, Graham LM. Oct 877

Acquired immunodeficiency syndrome

HIV update 2005: Origins, issues, prospects, and complications (Medical Grand Rounds). Armstrong W, Calabrese L, Taege AJ. Jan 73

Highly resistant HIV: If not a super strain, at least a wake-up call (Editorial). Taege AJ, Armstrong WS. Apr 285

Dyslipidemia in HIV patients. Tungsiripat M, Aberg JA. Dec 1113

Acute renal failure

Low-dose dopamine ineffective for acute renal failure (POEMs). Anonymous. Aug 642

Adrenal function

Adrenal function in critically ill patients: How to test? When to treat? (Medical Grand Rounds). Hamrahan A. May 427

Use of corticosteroids in the sepsis syndrome: What do we know now? LaRosa SP. Dec 1121

Adverse drug effects

An elderly woman with leg swelling and pain (IM Board Review). Daneschvar HL, Daw H. Apr 353

Messing with Mother Nature (From the Editor). Mandell BF. Apr 265

Dose-related statin myopathy: Is it an issue? (Editorial). Wortmann RL. Sep 751

Safety of statins: Effects on muscle and the liver. Vasudevan AR, Hamirani YS, Jones PH. Nov 990

Dyslipidemia in HIV patients. Tungsiripat M, Aberg JA. Dec 1113

Alopecia areata

Alopecia areata: What to expect from current treatments. Dombrowski NC, Bergfeld WF. Sep 758

Anemia

Anemia in heart failure: Can EPO reduce deaths? Iyengar S, Abraham WT. Nov 1027

Blood testing causes anemia (POEMs). Anonymous. Dec 1128

Angiotensin-receptor blockers

Angiotensin-receptor blockers: Benefits beyond lowering blood pressure. Silverstein RL, Ram CVS. Sep 825

Anorexia nervosa

Eating disorders: Recognize early to prevent complications. Ricanati EHW, Rome ES. Oct 895

Antibiotics

The emergence of methicillin-resistant *Staphylococcus aureus* in the community. Padmanabhan RA, Fraser TG. Mar 235

Antibiotics ineffective in preventing second heart attack (POEMs). Anonymous. Feb 86

Anticoagulant therapy

Issues in anticoagulant therapy: Recent trials start to answer the tough questions (Medical Grand Rounds). Jaffer AK. Feb 157

Warfarin initiation in older patients, using an algorithm (POEMs). Anonymous. Jun 498

Antioxidants

Antioxidants don't prevent GI cancers, and they increase overall mortality (POEMs). Anonymous. Jan 13

Antiphospholipid antibody syndrome

Antiphospholipid antibody syndrome: Recent findings on managing this challenging condition. Crowther MA. Mar 245

Aspirin

Aspirin prevents stroke, not myocardial infarction, in women (POEMs). Anonymous. Jul 552

Asthma

Intermittent therapy is as good as continuous therapy

for mild persistent asthma (POEMs). Anonymous. Jul 629

Atrial fibrillation

Quality of life with rate or rhythm control in atrial fibrillation (AFFIRM trial) (POEMs). Anonymous. Apr 288

Chronic atrial fibrillation develops in 25% 5 years after paroxysmal atrial fibrillation (POEMs). Anonymous. Jul 553

Auto-positive end-expiratory pressure

Auto-positive end-expiratory pressure: Mechanisms and treatment. Mughal MM, Culver DA, Minai OA, Arroliga AA. Sep 801

Avian influenza

Avian influenza: An emerging pandemic threat. Jin XW, Mossad SB. Dec 1129

B

Back pain

Physical therapy adds little to back pain treatment (POEMs). Anonymous. Jan 17

Physical therapy for back pain (To the Editor). Dunfee M, Johnson E. Apr 272

Physical therapy for back pain (In Reply). Shaughnessy AF. Apr 273

Physical therapy for back pain (To the Editor). Mazanec D. May 366

Rehabilitation is nearly as effective as spinal fusion for chronic back pain (POEMs). Anonymous. Sep 800

Bariatric surgery

Bariatric surgery effective for morbid obesity (POEMs). Anonymous. Jan 14

Bariatric surgery effective for weight loss, diabetes, and hypertension at 10 years (POEMs). Anonymous. Mar 181

Bell palsy

When is facial paralysis Bell palsy? Current diagnosis and treatment. Ahmed A. May 398

Bipolar disorder

Treating depression in a mother of five: What to do when the first step fails (Grand Rounds). Tesar GE. Jun 501

Bisphosphonates

What is a 'failure' of bisphosphonate therapy for osteoporosis? Carey JJ. Nov 1033

Bladder dysfunction

Overactive bladder: Evaluation and management in primary care. Rosenberg MT, Dmochowski RR. Feb 149

The impact of stress urinary incontinence on sexual activity in women. Barber MD, Dowsett SA, Mullen KJ, Viktrup L. Mar 225

Blood pressure measurement

Measuring BP at home is valuable (POEMs). Anonymous. Dec 1149

Office measurements usually overestimate BP. Anonymous (POEMs). Dec 1148

Blood testing

Blood testing causes anemia (POEMs). Anonymous. Dec 1128

Bovine spongiform encephalopathy

Bovine spongiform encephalopathy and variant Creutzfeldt-Jakob disease: How safe is eating beef? Roma AA, Prayson RA. Mar 185

Bowel disease

Managing short-bowel syndrome: Making the most of what the patient still has (Medical Grand Rounds). Parekh N, Seidner D, Steiger E. Sep 833

Bulimia nervosa

Eating disorders: Recognize early to prevent complications. Ricanati EHW, Rome ES. Oct 895

C

Calcinosis cutis

Multiple skin nodules in a 64-year-old woman (The Clinical Picture). Chhaya S, Rendt K. Aug 687

Calcium

A 56-year-old man with hypercalcemia (IM Board Review). Aladesanmi O, Jin XW, Nielsen C. Aug 707

Hypercalcemia (To the Editor). Delaney MF, Carey JJ. Dec 1075

Primary hyperparathyroidism: 7,000 years of progress. Levine MA. Dec 1084

Cancer

Antioxidants don't prevent GI cancers, and they increase overall mortality (POEMs). Anonymous. Jan 13

New cervical cancer screening strategy: Combined Pap and HPV testing. Jin XW, Zanotti K, Yen-Lieberman B. Feb 141

Cervical cancer screening (To the Editor). Burns R. Apr 272

Cervical cancer screening (In Reply). Jin XW, Zanotti K, Yen-Lieberman B. Apr 272

Single Hemocult in office misses most cancer (POEMs). Anonymous. May 376

Prostate-specific antigen: How to advise patients as the screening debate continues. Albertsen PC. Jun 521

A woman with headache and blurred vision (The Clinical Picture). Segota E, Adelstein D, Mekhail T. Oct 848

Cardiomyopathy

Genetics and cardiomyopathy: Where are we now? Murphy RT, Starling RC. Jun 465

Cellulitis

A 73-year-old woman with chronic nonhealing cellulitis (The Clinical Picture). Leung AK, Armstrong WS. Nov 1022

Cholesterol

Cholesterol guidelines update: More aggressive therapy for higher-risk patients. Huang JC, Hoogwerf BJ. Mar 253

Cleveland Clinic Journal of Medicine

CCJM's further evolution (From the Editor). Mandell BF. Jan 1

David Rolston, MD, joins the *Journal* staff (From the Editor). Mandell BF. Aug 633

Clinical Picture

A 35-year-old man with recurrent hoarseness (The Clinical Picture). Dalal GM, Mehta AC. Jul 549

Multiple skin nodules in a 64-year-old woman (The Clinical Picture). Chhaya S, Rendt K. Aug 687

A woman with headache and blurred vision (The Clinical Picture). Segota E, Adelstein D, Mekhail T. Oct 848

A 73-year-old woman with chronic nonhealing cellulitis (The Clinical Picture). Leung AK, Armstrong WS. Nov 1022

Colonic diverticulitis

Recognizing and managing acute diverticulitis for the internist. Wu JS, Baker ME. Jul 620

Commentary

"Thanks for sharing": A fictional reflection on shared medical appointments (Commentary). Cohen LG. Apr 277

Shared appointments can be good care (In Reply). Bronson DL, Maxwell RA. Apr 280

Malfunctions in implantable cardiac devices: Putting the risk in perspective (Commentary). Burkhardt JD, Wilkoff BL. Sep 736

Complementary medicine

DHEA supplementation: The claims in perspective. Olech E, Merrill JT. Nov 965

Computed tomography

Could cardiac CT revolutionize the practice of cardiology? (Editorial). Garcia MJ. Feb 88

CT of the heart: principles, advances, clinical uses. Schoenhagen P, Stillman AE, Halliburton SS, White RD. Feb 127

Imaging in acute brain infarction. Borg B, Herts BR, Masaryk TJ. Jul 579

Conflict of interest

New CCJM policy: No manufacturer involvement in the preparation of articles (From the Editor). Mandell BF. Mar 169

Industry involvement in preparation of articles (To the Editor). Anonymous. Jun 462

Industry involvement in preparation of articles (In Reply). Mandell BF. Jun 462

Constipation

Guideline for chronic constipation management (POEMs). Anonymous. Nov 985

Coronary artery disease

Coronary artery disease in diabetes: Which (if any) test is best? (Editorial). Lauer MS. Jan 6

Diabetes and coronary artery disease: The role of stress myocardial perfusion imaging. Wackers FJT. Jan 21

Could cardiac CT revolutionize the practice of cardiology? (Editorial). Garcia MJ. Feb 88

CT of the heart: principles, advances, clinical uses. Schoenhagen P, Stillman AE, Halliburton SS, White RD. Feb 127

IVUS: A better picture of coronary artery disease (From the Editor). Mandell BF. Jun 457

Intravascular ultrasonography: Using imaging end points in coronary atherosclerosis trials. Schoenhagen P, Nissen SE. Jun 487

Intravascular ultrasonography in coronary atherosclerosis (To the Editor). Angelini P. Sep 745

Intravascular ultrasonography in coronary atherosclerosis (In Reply). Schoenhagen P, Nissen SE. Sep 745

How soon can a patient undergo noncardiac surgery after receiving a drug-eluting stent? (1-Minute Consult). Weitz HH. Sep 818

Corticosteroids

Should adults with suspected acute bacterial meningitis get adjunctive corticosteroids? (1-Minute Consult). Pile JC, Longworth DL. Jan 67

Adrenal function in critically ill patients: How to test? When to treat? (Medical Grand Rounds). Hamrahian A. May 427

How long can my patient use intranasal steroid sprays? (1-Minute Consult). Pien LC. Dec 1079

Use of corticosteroids in the sepsis syndrome: What do we know now? LaRosa SP. Dec 1121

Cough

The oracle of cough (From the Editor). Mandell BF. Jul 537

Pertussis: Old foe, persistent problem. Sabella C. Jul 601

Creutzfeldt-Jakob disease

Bovine spongiform encephalopathy and variant Creutzfeldt-Jakob disease: How safe is eating beef? Roma AA, Prayson RA. Mar 185

Critical care

Changes to guidelines for sepsis management (POEMs). Anonymous. Mar 182

Adrenal function in critically ill patients: How to test? When to treat? (Medical Grand Rounds). Hamrahian A. May 427

Auto-positive end-expiratory pressure: Mechanisms and treatment. Mughal MM, Culver DA, Minai OA, Arroliga AA. Sep 801
