This article is also being published by *The Joint Commission Journal on Quality and Patient Safety* [Greenwald JL, Halasyamani L, Greene J, LaCivita C, Stucky E, Benjamin B, Reid W, Griffin EA, Vaida AJ, Williams M.V. Making Inpatient Medication Reconciliation Patient Centered, Clinically Relevant and Implementable: A Consensus Statement on Key Principles and Necessary First Steps. *Jt Comm J Qual Patient Saf* 2010 Nov;36(11)(in press)].

Disclosure: The medication reconciliation conference held on March 6, 2009, was supported by the Agency for Healthcare Research and Quality through grant 1R13HS017520-01 and by the Society of Hospital Medicine. Jeffrey L. Greenwald: Dr. Greenwald received a stipend and conference travel expenses from the AHRQ grant for serving as the co-principal investigator for the grant. Lakshmi Halasyamani: Dr. Halasyamani received a stipend and conference travel expenses from the AHRQ grant for serving as the co-principal investigator for the grant. Dr. Halasyamani is also on the Board of the Society of Hospital Medicine. Jan Greene: Ms. Greene received payment from the AHRQ grant as a medical writer to work on this manuscript. Cynthia LaCivita: Dr. LaCivita received a stipend and conference travel expenses from the AHRQ grant for serving as the conference committee for the grant and an honorarium from the Society of Hospital Medicine which was donated to the ASHP Foundation. Erin Stucky: Dr. Stucky received conference travel expenses from the AHRQ grant for serving on the conference committee for the grant. Bona Benjamin: Nothing to declare. William Reid: Mr. Reid is an employee of Microsoft Corporation and holds stock therein. Frances A. Griffin: Nothing to declare. Allen J. Vaida: Dr. Vaida received conference travel expenses from the AHRQ grant for serving on the conference committee for the grant. Mark V. Williams: Dr. Williams is the Editor-in-Chief of the *Journal of Hospital Medicine*.

If you wish to receive credit for this activity, which begins on the next page, please refer to the website: www.blackwellpublishing.com/cme.

Accreditation and Designation Statement

Blackwell Futura Media Services designates this educational activity for a 1 *AMA PRA Category 1 Credit*.TM Physicians should only claim credit commensurate with the extent of their participation in the activity.

Blackwell Futura Media Services is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Educational Objectives

Continuous participation in the Journal of Hospital Medicine CME program will enable learners to be better able to:

- Interpret clinical guidelines and their applications for higher quality and more efficient care for all hospitalized patients.
- Describe the standard of care for common illnesses and conditions treated in the hospital; such as pneumonia, COPD exacerbation, acute coronary syndrome, HF exacerbation, glycemic control, venous thromboembolic disease, stroke, etc.
- Discuss evidence-based recommendations involving transitions of care, including the hospital discharge process.
- Gain insights into the roles of hospitalists as medical educators, researchers, medical ethicists, palliative care providers, and hospital-based geriatricians.
- Incorporate best practices for hospitalist administration, including quality improvement, patient safety, practice management, leadership, and demonstrating hospitalist value.

- Identify evidence-based best practices and trends for both adult and pediatric hospital medicine.

Instructions on Receiving Credit

For information on applicability and acceptance of continuing medical education credit for this activity, please consult your professional licensing board.

This activity is designed to be completed within the time designated on the title page; physicians should claim only those credits that reflect the time actually spent in the activity. To successfully earn credit, participants must complete

the activity during the valid credit period that is noted on the title page.

Follow these steps to earn credit:

- Log on to www.blackwellpublishing.com/cme.
- Read the target audience, learning objectives, and author disclosures.
- Read the article in print or online format.
- Reflect on the article.
- Access the CME Exam, and choose the best answer to each question.
- Complete the required evaluation component of the activity.
